## LOCAL BUDGET.

### MANY THINGS OF MANY KINDS.

The Bethel Church, of this city, contemplates giving a public rehearsal at an early day.

Rev. L. Nourse, of Owensboro, Ky., has accepted a call to the Presbyterian church in Lockport, Ind.

The Kentucky Military Institute has lost forty of its members by the recent cotton failure in the South.

The officers of the South, in the different precincts of the county, will act on April the 10th.

For several days an immense number of strangers have been in the city, in quest of a great deal of timber, though.

A New York paper says Moses Beach retains an interest of \$300,000 in the Sun. We wouldn't begin to swap our interest in the city for his.

Cheyenne, six months ago a howling wilderness, now has a theater, of which Mr. and Mrs. Selden Irwin are lessees and managers.

Most of the gentlemen from Tennessee and distant parts of the State who were present at the meeting of the Louisville and Nashville stockholders yesterday started for their homes on the evening train.

Nothing further has been heard from Jack Phillips, who robbed the bank at Louisville on the 20th. Jack is confined in jail. He is a very heavy fellow, weighing 250 lbs., and has a very good record.

It is stated by Capt. Anderson, President of the Louisville and Cincinnati Mail Line, that the boats of the company will take any of the "old pioneers" to Cincinnati and return at half fare on the second of the month.

A little two-year-old Miss, while having her curly head arranged yesterday morning, shocked her loving maternal parent by abruptly and earnestly liping, "Papa, mamma, make me one watermelon."

Old ladies of fashion, beware of the example you are setting for the rising generation. Last week four elegant cars, each costing over \$7,000, were completed at the Ohio Falls Car Works for the Illinois Central Railroad, and also a number of cars for the Springfield, Ill. street railroad.

At the Louisville and Nashville stockholders' meeting, a number of the old pioneers of the city were present, and a number of the new ones.

At the Louisville and Nashville stockholders' meeting, a number of the old pioneers of the city were present, and a number of the new ones.
